Examiner's Statement of Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record does not, alone or in combination, disclose tension wires embedded in a concrete pole, "wherein said steps of establishing a DC magnetic field, applying a pulse of AC magnetic field, and detecting the guided wave signals are each effected from a single location on the pole."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
